DEMAND IV—GENERAL ADMINISTRATION EXCLUDING FINANCIAL SECRETARIAT, ACCOUNTANT GENERALS' OFFICE, LEGISLATIVE BODIES AND LOCAL FUND AUDIT DEPARTMENT.—Rs. 900.

MR. G. NARAYANAN TAMPI: I rise to move for a grant of Rs. 900 additionally for the payment of T. A. and honorarium to the T. C. S. probationers for 1121 under Demand IV — General Administration excluding Financial Secretariat, Accountant General's Office, Legislative Bodies and Local Fund Audit Department

The additional grant sought for is mainly to meet the additional expenditure required to enhance their honorarium. The honorarium of T. C. S. Probationers was originally fixed so far back as 1114 at Rs. 75 and after the probationery period of two years they were to be absorbed in the scale of Rs. 150-200. Later on the probationery period was extended to 3 years so that the T. C. S. probationers may have an all round training and eventually under the recent pay revision scheme the pay of the probationers absorbed in the services is in the special scale of Rs. 200-500 with special efficiency bar at intervening stages. Unfortunately there was no revision of the honorarium of the T. C. S. probationers. Representations were made and Government thought that it should be suitably enhanced. Government have recently enhanced it from Rs. 75 to Rs. 100 with effect from the 1st Chingom 1121. A sum of Rs. 550 is requiried to meet that additional requirement and a sum of Rs. 350 in addition to provide funds for the T. A. These probationers may have to go to Taluk Offices in the State and to the Divisional Treasury Offices in the State just as soon as they complete the present course of probationery period in the Secretariat. I request that the House may be pleased to sanction this grant of Rs. 900 for the additional allotment of honorarium.

[Mr. S. Narayana Aiyar.]

There are at present 5 machines. Some of them are under repair. They have to be replaced and the grant may therefore be allowed.

MR. T. K. NARAYANA PILLAI: May I know why this was not made at the time of Budget grants?

MR. S. NARAYANA AIYAR: We thought that the existing machine could be repaired. But when some of them were placed under repair, it was found very difficult to carry on the work with the remaining machines.

This amount is required to meet the expenses for giving overtime allowance for the subordinate staff of the Legislative Section. Sir, in 1935 this staff has been given a day's salary as the overtime allowance for the hard work they have been doing. The amount provided in the Budget is only Rs. 3,000. It is necessary to show some consideration to them in view of the arduous nature of the work they are doing. They come here at 10 o' clock. They have to remain till midnight, and sometimes later, on days when they have too much work in transcribing and typing. I hope the House will not raise any objection to the grant.

In the budget our Assembly was pleased to sanction payment of house rent to officers of the rank of Inspector and below. The rates prescribed were low and it was very difficult to find suitable houses within their limits. The amount needed for the whole force comes to Rs. 1,12,836 and the excess amount needed over the Rs. 50,000, a lump sum grant sanctioned at the budget, is now asked for.

At the time the budget was drafted the Inspector cadets were in the Police Training School where they had a hostel, free accommodation and were treated exactly like students in colleges. They were given stipends. Now they are under training in practical work under A. S. Ps. attached to particular stations where the standard of living [illegible] to [illegible] Inspector.
